Summer Short Course in Biodemography

June 11-15, 2007
The University of Colorado Population Center and Institute of Behavioral Science
Boulder, Colorado
The course is open to all graduate students, post-docs, and junior faculty from any institution. The CUPC will provide a stipend to pay for travel to and from the short course and will pay for lodging (if necessary) during your stay in Boulder. Applications are due by April 6. Contact the CFDR office for application information.

Are You a New Principal Investigator?

Many applications coming into DBSB were submitted by PIs who could have claimed to be new investigators and failed to do so. If you are a new investigator you are encouraged to claim the designation. The following link explains the guidelines on who is a new investigator. http://www.niaid.nih.gov/ncn/grants/plan/plan_i1.htm.

Programming Help - SPSS, SAS or STATA

If you have programming questions, Dr. Meredith Porter is available to help. Stop by our office between 9 and 10 am any Monday, Wednesday or Friday and your problems will be solved.
