

# The Recycler

April 2024

Earth Month Flyer at [bgsu.edu/campus-sustainability/earthweek](https://bgsu.edu/campus-sustainability/earthweek)

## WYMO =

### When You Move Out, Don't Throw It Out

Be on the lookout for WYMO donation boxes in Residence Halls, Greek Townhouses, Union Lobby, and Markets starting April 9th! When clearing out your residence hall or apartment this spring, donate your unwanted belongings to the ReStore! This helps save items from ending up in the landfill!

- Books
- School Supplies
- Clothing/BGSU Merch

## Sustainable Students for the Spring Season

1. Wash your car at a commercial car wash for less water usage and proper drainage.
2. Plant a native flower garden to increase biodiversity and pollinator populations.
3. Reduce your carbon footprint by reusing or donating items when spring cleaning.
4. Walk or bike to classes instead of driving with the nice, spring weather.
5. Follow BGSU recycling signage to reduce contamination when moving out.
