BRING HOME A WIN FOR

BGSU AND THE
ENVIRONMENT!

RECYCLEMANIA IS A
FRIENDLY COMPETITION
AMONG COLLEGES AND

MAKE A RESOLUTION THAT
MAKES A DIFFERENCE!

- Carry a reusable water bottle. We could all drink more water right? Plus disposable plastic water bottles take hundreds of years to decompose, and release toxins along the way!
- Skip plastic bags and opt for a reusable tote. Plastic bags never fully decompose, and instead can take up to 1,000 years
