

The Recycler

SPECIAL EDITION
March 2024

Have a More Sustainable Easter!

Don't Go With...

- Plastic Easter Baskets
- Fake Plastic Grass
- Factory-Farmed Eggs

“ Each year, the U.S. uses over 250 MILLION plastic eggs! -Reuse Them Instead! ”

29.4 million pounds of waste was diverted across U.S. campuses during the 2023 competition!

Friday Night Lights
Friday Nights @ 6:30 PM

Campus ReStore
March 27th (12-2 PM)

The Campus **reStore**
 at BGSU

Register on BGSU Serves to Volunteer!

Campus Race to Zero Waste 2024

Continue to recycle throughout the rest of March! Competition ends on the March 23rd!

Look out for Pizza for Recycling and Caught Green Handed at your Residence Hall!

Visit the event calendar at bgsu.edu/campus-sustainability/CRZW

Follow BGSU signage for all recycling needs:

- Plastic bottles, cups, tubs & jugs
- Office paper & newspaper
- Paper boxes, cups & cardboard
- Aluminum & steel cans
- Unbroken glass bottles & jars

Visit bgsu.edu/sustainability for more information about recycling or common contamination that shouldn't belong!
