Funding Amount Approved: _____

Budget Coordinator Signature Date

Comments:

Important Notes about CAC Funding

Funds may be requested for research travel, equipment, supplies, participant incentives, and services. All travel, purchases and reimbursement must be done in accordance with university policy.

- Equipment, which includes computer hardware and software, purchased with research funds, is the property of BGSU and will be placed in the department's inventory upon completion of the project. Check with Sue Wax to see what may already be available in our department inventory before requesting funds.
- Supplies are materials/food that will be consumed during the life of the project. Supply orders will be limited to a 20-day supply at a time.
- Travel to data collection sites requires documentation of dates, times, addresses, etc.

Expenses that are NOT allowed include: Donations, cash advances, purchase of business reply envelopes, business reply postage; individual incentives or compensation for research participation exceeding \$25 for an individual incentive or other excessive research participation incentives; excessive payment for services needed for data collection; online survey collection other than Prolific, Qualtrics, Mturk, and Cloud Research.; thank you gifts. Other expenses may be deemed non-allowable at the discretion of the Director of Clinical Training.

BGSU policies and procedures require us to utilize the university's purchasing contracts for best pricing and business practices. Consult with Sue Wax prior to making any purchases or for assistance planning your budget. Policies and procedures can and do change frequently.

BGSU has a variety of software available for installation. Check the ITS webpage regarding software availability. New software/online applications require ITS pre-approval that can take up to 6 months to complete.

Equipment, supplies, software, etc, purchased or expense reimbursed by BGSU is the property of the university. All items ordered/reimbursed must be delivered to BGSU facilities. Software purchase requires a specific approval process, which can be very lengthy- please plan accordingly.
