

SDSs for this space are stored in ChemWatch under:

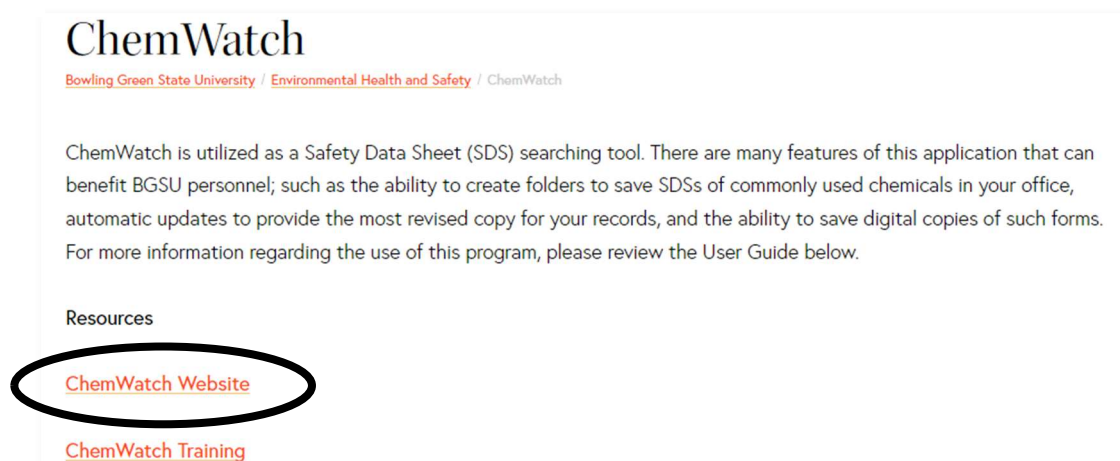

ENTERPRISE > FOLDERS > _____ > _____
(Department Folder, if applicable) (Room/Group Folder)

How to Access Safety Data Sheets (SDSs) on ChemWatch

1. Using a device on the BGSU network (must be on campus), go to the EHS website:
<https://www.bgsu.edu/environmental-health-and-safety.html>
2. In the middle of the page, click on "Safety Data Sheet Search".

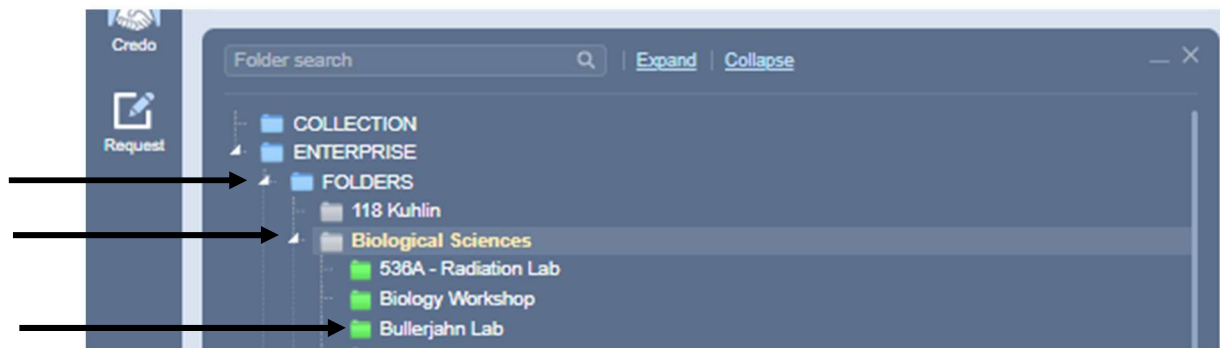

3. Click on "ChemWatch Website".

Alternatively,
scan the QR code to
go directly to
ChemWatch:
(must be on campus)

4. Browse or search for the chemical of interest.
 - a. To browse SDSs for your group, click the arrow next to "FOLDERS", then the arrow next to your department folder if applicable (e.g. "Biological Sciences"), then click on your room or group's folder.

- b. To search BGSU's SDS database, enter the name or CAS number into the search bar.

5. Folder contents or search results will appear to the right. Click on the name of the chemical to bring up the SDS.

Note: If the chemical is available from multiple vendors, first click "Multiple" under the VENDOR column to expand the options, then click the chemical name.

TRACK	HAZARD	PART NO.	MATERIAL NAME	CAS NUMBER	VENDOR	RISK STATEMENT
			acetone	67-64-1	Multiple	
		123	ACETONE Issue Date: 02/26/2020; Extraction Date: 11/22/2022;	67-64-1	Cone Solvents	R11,R36,R66,R67
		123	acetone Issue Date: 08/10/2021; Extraction Date: 12/21/2022;	67-64-1	Hach (a part of Danaher)	R11,R36,R66,R67
		123	acetone Issue Date: 10/07/2020; Extraction Date: 08/18/2021;	67-64-1	Sigma-Aldrich (as MiliporeSigma, Merck)	R11,R36,R66,R67
		123	acetone Issue Date: 10/07/2020; Extraction Date: 08/18/2021;	67-64-1	Sigma-Aldrich (as MiliporeSigma, Merck)	R11,R36,R66,R67

6. If desired, use the buttons along the upper right of the site to print or download the current SDS.
