In our society we are surrounded with language and behavior that has developed through a history of stereotypes and prejudices. The iSTAND Advocacy Training program was created by the Office of Multicultural Affairs and the Center for Leadership to help teach participants practical skills for addressing micro aggressions in our society and to stand up and advocate for others.

The iSTAND presentation is presented by the Student Leadership Assistants. The presentation takes 75 minutes to complete. To request an iSTAND presentation for your office, please visit and complete a request form at <https://orgsync.com/8315/forms/58656>.
