## BGSU’s Sustainability Goals

The Office of Campus Sustainability works to fulfill three overarching goals to achieve institutional carbon neutrality by the year 2040.

- Reduction of Emissions: Through energy efficiency and renewables.
- Waste Reduction & Resource Conservation: Through recycling and re-use initiatives.
- Education, Awareness, & Outreach: Through student involvement and programming.

## Tips & Tricks

- Use less electricity during peak hours each day from 11am—6pm.
- Do not leave water running during personal hygiene time!
- Walk more, drive less.

## Events and Activities
