

## Did You Know?

**BGSU won CCN in 2012 with the greatest overall reduction in electricity!**

**This win brought us the interactive dashboard in Offenhauer! Find them in the Union and Olscamp too!**

### **BGSU Residence**

**Halls have recycled an average of 15.46 lbs. per resident thus far!**

**Keep working hard to lower your waste and increase your recycling rate and help BGSU move up in the standings.**

**For more information go to: [recyclemania.org](http://recyclemania.org) or [competetoreduce.org](http://competetoreduce.org)**

# The Recycler

**Spring Edition Issue 3: March 2015**

**Get ready for this year's Campus Conservation Nationals! The competition is from March 29th to April 19th. BGSU will compete nationally with schools to reduce energy consumption!**

**Campus Conservation Nationals (CCN) is the largest electricity reduction competition for colleges and universities in the world! It seeks to educate campuses about carbon emission reduction and climate change through events or initiatives to encourage using less electricity.**

### **How can you help?**

- **Turn off lights when not using a room**
- **Open blinds to use natural light during the day**
- **Use power strips**
- **Unplug devices when not in use**
- **Encourage your friends to do the same!**
