

Did You Know?

You can donate nearly anything to the **WYMO** program! Donations benefit charities & students.

Multiple tons of items get re-used and diverted from the landfill!

When You Move Out, Don't Throw It Out!

Donated items:

- Food
- Furniture
- Books
- Clothing
- Shoes
- Toys
- household items
- Microwaves
- Refrigerators
- and much more!

Where to Donate:

- Residence Hall Lobbies
- Student Union Lobby

WYMO begins Wednesday, April 22

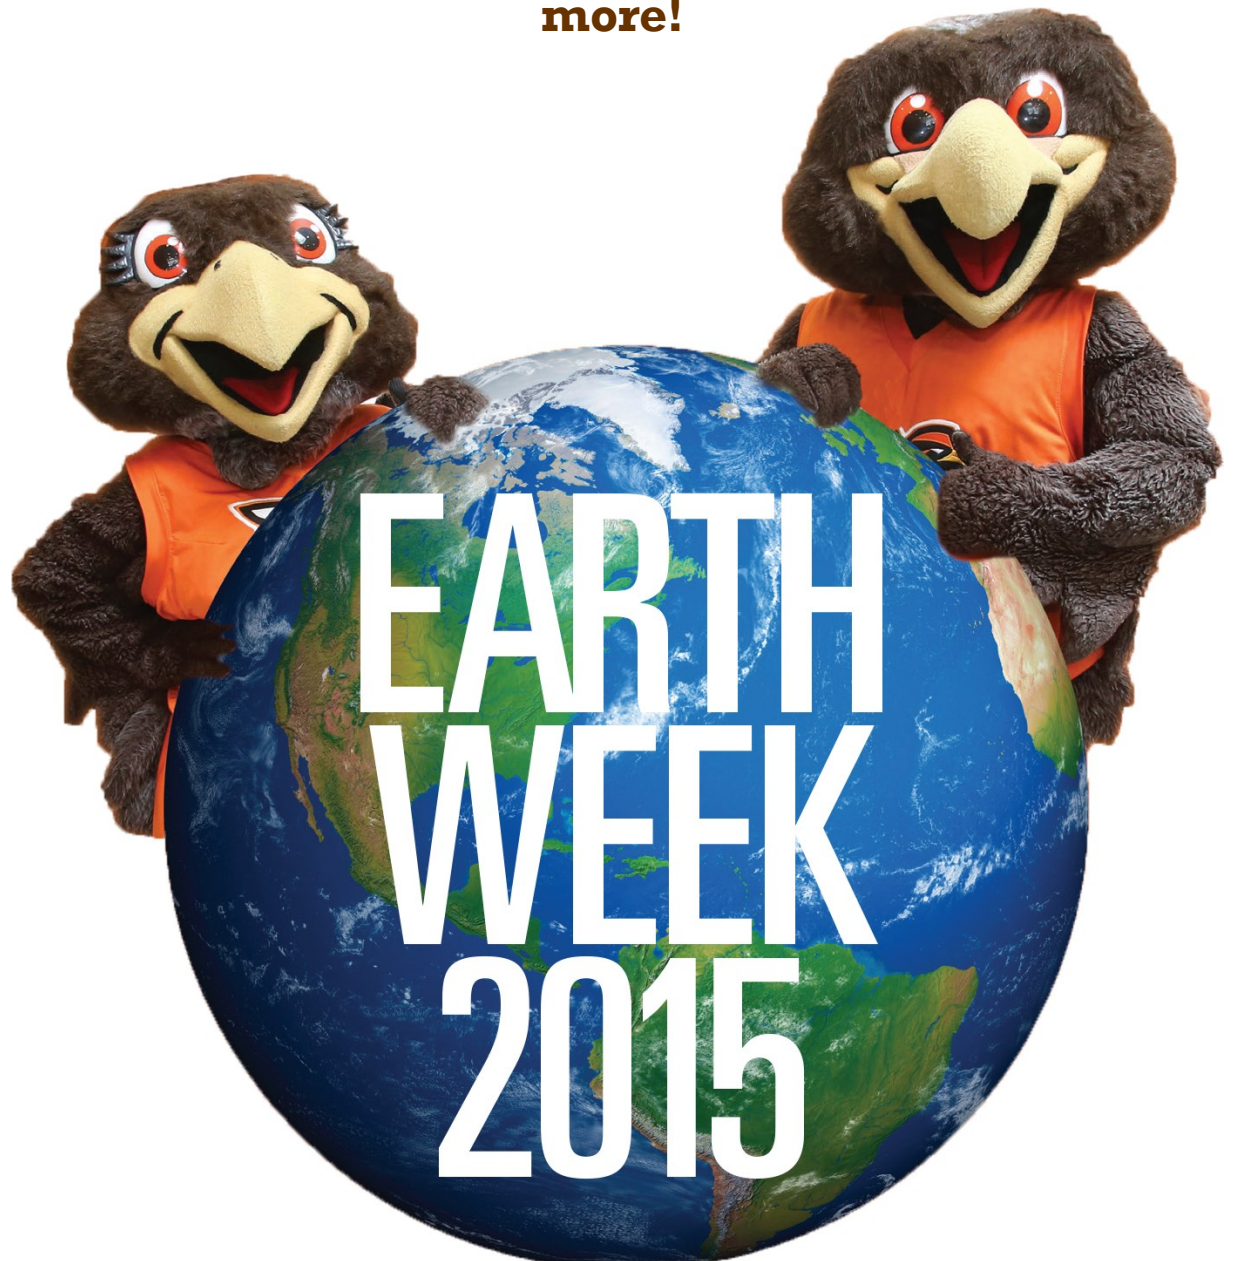

The Recycler

Spring Edition Issue 4: April 2015

Earth Week Celebrations

ALL Earth Week events are free and open to the public!

Featuring workshops, panels, speakers, trainings, service projects, a concert, scavenger hunt, 5k race, & more!

For a full schedule of Earth Week, check out bgsu.edu/sustainability

Don't miss the Eco-Fair!!

**April 22nd 11am-3pm
Union Oval**

Check out a variety of environmental initiatives, learn about current issues, and meet/connect with those working or involved in these areas.

History of Earth Day

Earth Day began on April 22, 1970. Senator Gaylord Nelson created Earth Day as a way to push environmental issues onto the congressional agenda. It focused on college campuses in order to reach as many students as possible.
