

The Recycler

Campus Sustainability | August 2023 Edition

bgsu.edu/sustainability

Be A Sustainable Student

How Do You Roll?

Biking around campus is a great way to commute to class instead of by car. Either bring your own, or rent a bike from BGSU's bike rental service at bgsu.edu/bikerental

Got Pollution? Be the Solution... Recycle

You can recycle cardboard, plastic bottles, paper, aluminum cans, and glass at BGSU. See the recycling signage and website for the full lineup.

Lettuce Compost Together

The Oaks, Carillon, and the BTSU Nest compost pre-consumer food waste instead of trashing it.

Just Say No to Styro

Carillon and Kreisler dining offer reusable OZZI containers for on-the-go food instead of single use, landfill-destined containers.

[BGSU Sustainability](https://www.facebook.com/BGSUSustainability)

“Sustainability means "meeting the needs of the present without compromising the ability of future generations to meet their own needs.”

Reduction of Emissions

Waste Reduction & Resource Conservation

Education, Awareness, & Outreach

BGSU aims to achieve carbon-neutrality, university-wide, by the year 2040!

Sustainable Events

Must register on BGSUServes beforehand in order to volunteer!

Meet us on the second floor of the Student Union at 6:30 PM on Fridays to help turn off lights in academic buildings that would otherwise stay on over the weekend!

The Campus **reStore** at BGSU

Stop by the Campus ReStore over in the McDonald Hall annex to find thrifted items donated by BGSU students. Check out our Sustainability page for details on dates and hours.

Green Game Day

Love football and the environment? Take part in recycling and reducing waste around tailgating sections at every home football game!
