

# Love your Mother

## Valentine's Day Sustainability Tips

- Buy flowers that are locally grown. Or, buy a plant! Something that can become a permanent addition to your living space might be better.

- Buy from local stores and limit your CO2 emissions for a gift to a loved one.

- Skip the card. Did you know we send over a billion cards to each other every year? This amounts to 300,000 trees!

- Make something from your kitchen instead of buying from the store. Cheaper, and fewer CO2 emissions!

## Events Coming Up

- Campus ReStore will now be open every Wednesday from 12:30—2:30 pm. Stop by if you need school or office supplies, clothes, décor, and more for free!
- Friday Night Lights are every Friday at 6:30 pm outside the theatre on second floor of the union!
- Keep an eye out for events in the month of April to celebrate Earth Month.

## Campus Race to Zero Waste

Starting February 21st, in efforts to reduce waste on campus for CRZW, we will begin a program called "Love Food Not Waste" where students who clear off all of their plate at the Oaks will have the chance to win a prize!

In the meantime, remember to recycle when you can and go to the ReStore to reuse items instead of buying new.

**BE KIND TO  
MOTHER  
NATURE**
