## **Student Photos on Class Rosters in Faculty Center**

Student Photos are now available on class rosters in the Faculty Center and on advisee lists in the

Advisor Center. When you enter the Faculty Center and click on the class roster icon <sup>411</sup> you will see the view below.

<u>Select Display Option</u> – These radio buttons will allow you to toggle back and forth between the normal class roster view and the view from which pictures may be seen.

When the Link to Photos button is selected, you may view photos by doing one of two things. You can

change the radio button to "Include Photos in List" or you can click on the Photo Icon 🧟 next to the student ID.
