FRATERNITY AND SORORITY LIFE

COMMUNITY REPORT

FRATERNITY AND SORORITY LIFE

Dear Community Members,

I am excited to provide you the Fall 2023 Community Report. We believe it is important to take time to celebrate our collective achievements.

As a community, service events, joining processes, and educational programming have filled the Fall 2023 semester. We also welcomed back alumni during Homecoming 2023 and shared the falcon experience with our families. I continue to be honored to work alongside chapters and their members as they exemplify the fraternity and sorority life values.

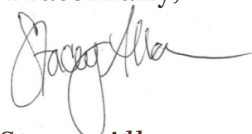

Highlights from this semester include:

- 20% increase in students joining the community from Fall 2022.
- 481 members made Dean's List.
- 8 community members serve their organizations on a national or regional level.
- 24 national/regional awards were given to chapters at Bowling Green State University.
- 8 members represented the community on Homecoming Court.
- Kappa Alpha Psi Fraternity, Inc. and Phi Kappa Tau re-established during the Fall 2023 semester.

In addition to these highlights, members, councils, and chapters continue to contribute to a positive student and fraternal experience. The Fraternity and Sorority Life Office is proud of individual and chapter accomplishments.

We look forward to the continued accomplishments of the Fraternity and Sorority Life Community.

Fraternally,

Stacey Allan

Associate Director of Student Engagement
