BGSU

A large, three-dimensional sculpture of the letters 'BGSU' in a vibrant red color stands on a concrete base on a green lawn. In the background, a brick building with windows and trees with autumn foliage are visible. A black lamppost with a red sign that reads 'A Public University for the Public Good BGSU' is also present. The scene is brightly lit, suggesting a sunny day.

### ACCESS TO STUDENT INFORMATION

Access BGSU is an application that provides BGSU students with the ability to share their information with a proxy (parent, guardian, family member, etc.) of their choice.

In order for a proxy to receive access, a student (known as a delegate in this process) first has to grant access through their MyBGSU account.

Your student can grant access to the following information:

- Bursar (student bill)
- Financial Aid
- Grades
- To-Do Lists

There is a multistep process to gain access. Learn more at

[bgsu.edu/accessbgsu](https://bgsu.edu/accessbgsu).

Students can connect with their roommate(s) to plan what each person will bring. Make sure your student selects their move-in date/time. Do not forget to complete the BGSU Student Health Insurance Waive/Enroll Form. If your student does not waive the insurance, the fee will be on their bill in July. **How did BGSU get its brown and orange colors?** In 1914, President Williams created a committee to decide on new school colors. One committee member, while on a trolley ride, saw a woman with a hat adorned with brown and orange feathers and was so impressed, he suggested this combination – and the rest is history!

## LIFE DESIGN AT BGSU

Students use design-thinking principles to explore big questions at the Radbill Center for College and Life Design. They think about what they want to do and who they want to become as they shape their college and career journey. The Life Design team supports students through 1:1 coaching, workshops and other programming. [bgsu.edu/lifedesign](http://bgsu.edu/lifedesign)

### **AY ZIGGY ZOOMBA!**

Nearly 75 years ago, Gilbert Fox, an original SICSIC member, World War II veteran and musicologist, wrote "Ay Ziggy Zoomba." In 2013 it formally became an official fight song of the University. Be prepared to sing this song along with your student at Homecoming and other BGSU athletic events.

## SICSIC SEZ...

Across the BGSU campus, six masked students proclaim school spirit through signs stating "SICSIC SEZ..." These students are members of SICSIC, a secret spirit organization created in October 1946 when the original "Secret Six" members were called on to increase school spirit. The meaning of the name remains a secret, but SICSIC is still active on campus, boosting student spirit.

**Why the Falcon?** In 1927 the nickname "Falcons" was suggested by the sports editor of the Daily Sentinel Tribune, Ivan "Doc" Lake, a BGSU graduate. He thought the nickname was fitting, since it was indicative of a small but powerful bird. And its coloring matched the school colors!

## FINISHING THE SEMESTER STRONG

This can be a stressful time for students as they prepare for their finals and the end of the semester. BGSU offers many ways to help them finish strong. They may need extra support in areas such as financial wellness, mental health and physical well-being – not just academic support and advising. Visit our Falcon Launchpad for a list of helpful resources.

## END-OF-SEMESTER REMINDERS

At the end of the semester, students should check their final grades, GPA, and academic standing in MyBGSU. Students should also check their meal plan balances and start preparing for their departure. A checklist will be provided, and students must move out within 24 hours of completing their last exam or by 10 a.m. on Saturday if their last exam is on Friday.

**The University Seal.** Be mindful of these traditions as you walk by the seal on campus! If you pass to the right of the seal, you will do well on your next test. If you pass to the left of the seal, you will fail your next test. If you stand on the seal at midnight and kiss your sweetheart, you will soon be married. If you and your sweetheart are holding hands and let go as you walk around opposite sides of the seal, you will soon break up. Or so legend goes...
