

Sample Rotation Schedule – Distance Internship Program* Spring and Summer Semester

The recommended rotation sequence reflects minimum requirements (long term care, WIC, etc.). Any of these rotations can be expanded to meet intern interest or career goals.

Week 1	Week 2	Week 3	Week 4	Week 5	Week 6	Week 7	Week 8	Week 9
*Foodservice	*Foodservice	*Foodservice	*Foodservice	Long Term Care	Long Term Care	Long Term Care	Patient Education	Patient Education
Week 10	Week 11	Week 12	Week 13	Week 14	Week 15	Week 16	Week 17	Week 18
Acute Care	Acute Care	Acute Care	Acute Care	Acute Care	Acute Care	Acute Care	Acute Care	Acute Care
Week 19	Week 20	Week 21	Week 22	Week 23	Week 24	Week 25	Week 26	Week 27
Acute Care	WIC	WIC	Community Nutrition	Community Nutrition	Community Nutrition	Community Nutrition	**Dialysis	Elective
Week 28	Week 29	Week 30						
Elective	Elective	Elective						

Fulltime Schedule

Acute 320 hrs= Acute 10 weeks @ 32 hrs/week = 320 hrs

Foodservice (128 hrs, Community 128 hrs, LTC 96 hrs, WIC 64 hrs, Patient education 64 hrs, Dialysis 32 hours= 16 weeks @ 32 hrs/week = 512 hrs

Elective 4 weeks @ 32 hrs/week= 128 hrs

Total= 960

1000-960= 40 hours other activities completed as part of DI assignments and experiences

*Foodservice rotation can be divided between 2 sites – for example 2 weeks in a healthcare based setting and 2 weeks in school foodservice

**Recommend more than one week at a dialysis unit, if possible – either in-patient or out-patient
