Enabling Falcon Faculty with Effective Classroom Technology

EFFECT

Technology

can be more
effectively integrated

into face-to-face
classroom

Experiences

Objective 3, Initiative 2

We will significantly **improve the quality of teaching and learning** by implementing student-centered initiatives that ensure our learning environment sets clear expectations, supports one another, **intellectually engages and involves students**, and provides feedback and assessment.

Objective 5, Initiative 5

We will implement a **technology plan** that includes learning space enhancements, emerging technologies, mobile learning, and **technology-enhanced pedagogy in the classroom.**

Chief Information Officer
John Ellinger

Easy to Use

Avoid Embarrassment

60% Passive

Make technology easy to use.

User-facing Knowledge Base, Data

Technology is underutilized in classrooms.

Instructors are not well-prepared and are intimidated by classroom technology

Classroom Technology trouble tickets are resolved either over the phone or on the first visit.

Could have been self-diagnosed by the instructor with common classroom training.

Simple computer setting.
