RELEASE:

In consideration for the opportunity to appear or otherwise participate in the above-identified Production produced by Bowling Green State University d/b/a WBGU-TV (collectively the "University"), I understand and agree that the University shall have the legal right to broadcast and otherwise distribute the Production through any means, without any limitation or condition imposed by me, and that I shall not receive any compensation for my appearance or participation in the Production. I also understand and agree that the University may use my name and images, portraits or pictures of me, as well as, my voice and biographical material about me, for educational, Production publicity, and other promotional purposes and that I shall not receive any additional compensation for such use.

As further consideration for the opportunity to appear or otherwise participate in the Production, I hereby give my consent to the University to copyright, reproduce, publish, broadcast, or otherwise use my recorded image or likeness and voice recordings of me in the Production and/or in any printed or other recorded materials (including, but not limited to, materials recorded in any electronic format) that may be distributed or generated by or for the University's use and that are related to such Production. I hereby indemnify and hold harmless the University and its Trustees, officers, faculty, employees, agents, servants, successors, and assigns from and against any and all claims arising from any misrepresentation, omission, or mistake of judgment (whether or not reasonably based) that I may have made with respect to the forgoing warranty and representation.

On behalf of myself and my heirs, executors, administrators, predecessors, successors and assigns, and for anyone claiming by, through, or under me, for and in consideration of my appearance and/or participation in the Production and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, I do hereby remise, release, acquit and forever discharge the University and all past, present, and future Trustees, officers, faculty, employees, agents, servants, successors, assigns and/or personal or official representatives of each and all of the above, of and from all, and all manner of claims, actions, causes of action, suits, debts, dues, accounts, bonds, covenants, contracts, agreements, judgments, and demands whatsoever, in law or in equity arising out of or related to my appearance or participation in the Production whether such actions, claims, causes of action, suits, debts, accounts, bonds, covenants, contracts, agreements, judgments, and demands be presently known or unknown, suspected or unsuspected, whether they be directly or indirectly, nominally or beneficially, possessed or claimed by me, and related to the Production, as to law or fact or both, which against the University I ever had, now have, or may have, for, due to any reason arising out of the Production or anything whatsoever related thereto.
