Marching Band

The Marching Band of the University is an organization active for the promotion of school spirit and enthusiasm in outdoor events. This band plays at the major athletic events held here and in the surrounding district. Last fall the University Marching Band represented this University at Ashland in their annual Home-coming festivities. In the last two years the marching band has been making letter formations at the football games. These formations have been photographed in motion pictures and studied to better this newly acquired activity. Several members of this organization were selected for the Inter-Collegiate Band Festival held at Muskingum College at New Concord, Ohio.

Men's Glee Club

The Men's Glee Club was formed six years ago by Prof. Leon E. Fauley. Under his able direction the Glee Club has been a success in the present as well as in the past. On its annual tour the Club gave concerts in the following towns: Lima, Kenton, Arlington, Attica, Willard, Milan, Huron, Bellevue, Clyde, and Woodville. The Annual Formal Concert together with the Annual Formal Dance was held on March 19, 1937, in the Practical Arts Auditorium. It was the biggest success of many years. The blending of the young men's voices added to the fine shades of interpretation made this event the supreme achievement of the Club this year.

Treble Clef

Membership in this organization is open to women who are not music majors, but who desire to improve their understanding of music and to bring about a closer relationship among those interested in music. At the opening of the semester the director chooses the members according to their vocal ability. Under the direction of Mr. James Paul Kennedy, the organization has had a very successful year. In conjunction with the Men's Glee Club, the Treble Clef sang Christmas Carols and sponsored a spring dance. The club has made a pleasant contribution to our Chapel programs.
