RE: Resolution 2015/2016—06

On Monday, February 22, 2016 the Undergraduate Student Government Senate passed Resolution 2015/2016—06. The Resolution is a statement formally supporting trans* students being able to utilize the bathroom they identify with in not only residence halls, but across Bowling Green State University. Allowing students to utilize the bathroom they identify with aligns with our commitment to diversity, respect and a culture of inclusion.

As the body representing the undergraduate student voice, we believe that this resolution is essential in fostering a safe environment for all students. I have signed into effect the legislation that notes the Undergraduate Student Government's stance on this issue.

For more information, please refer to the attached document, S.R. 2015/2016—06. If you have any questions with this Resolution, please feel free to contact me at my office (419) 372.6026 or by email at vsenn@bgsu.edu.
