## **INFORMATION FOR PERFORMANCE STUDIES MAJORS KEYBOARD PEDAGOGY SPECIALIZATION**

Acceptance as a performance major requires written approval from the appropriate area coordinator.

### **UNDERGRADUATE CATALOG**

All degree requirements are stated in the UNDERGRADUATE CATALOG. You are responsible for knowing them, so please read the catalog carefully. Highlights from that document appear below.

#### **Sophomore review**

At the end of the fourth semester of applied lessons, students are evaluated during the jury exam for advancement to upper division applied study (4000 level). If a student does not pass this Sophomore Performance Review, the student may enroll again in 2000 level applied study the following semester and may take the Sophomore Performance Review again. Written comments describing issues that need to be addressed and a remediation plan will be provided to the student. A student who fails the Sophomore Performance Review a second time will be denied future registration in applied instruction. However, students may re-audition for entrance into applied study by submitting a request for audition during one of the scheduled College of Musical Arts audition days. Students should consult their applied instructor for any specific performance requirements for the Sophomore Performance Review.

#### **Senior Recital**

At least one full recital is required of all performance studies majors. This is usually given in the senior year. Permission to perform the recital is granted by the appropriate performance studies faculty, and is based upon the student's performance at a recital jury. A student must be registered for applied study during the semester in which the recital is presented, and must register for MUSP 4950 (Senior Recital).

#### **Recital attendance**

All freshman, sophomore and junior music majors are required to attend 15 music recitals or concerts on campus each semester, exclusive of those in which the student is a participant. Attendance at the bi-weekly College Recitals may be counted toward the minimum of 15 recitals per semester. Students majoring in music must register for and successfully complete six semesters of MUS 99 (Recital Attendance). Students are also required to attend biweekly seminars according to major applied medium.

#### **Waived Courses**

The credit hours for any waived courses MUST BE MADE UP ELSEWHERE in the degree program.

### **REVERSE SIDE ASTERISK INFORMATION**
