INFORMATION FOR PERFORMANCE STUDIES MAJORS ORGAN SPECIALIZATION

Acceptance as a performance major requires written approval from the appropriate area coordinator.

UNDERGRADUATE CATALOG

All degree requirements are stated in the UNDERGRADUATE CATALOG. You are responsible for knowing them, so please read the catalog carefully. Highlights from that document appear below.

Senior Recital

At least one full recital is required of all performance studies majors. This is usually given in the senior year. Permission to perform the recital is granted by the appropriate performance studies faculty, and is based upon the student's performance at a recital jury.

A student must be registered for applied study during the semester in which the recital is presented, and must register for MUSP 495 (Senior Recital).

Recital attendance

All freshman, sophomore and junior music majors are required to attend 15 music recitals or concerts on campus each semester, exclusive of those in which the student is a participant. Attendance at the bi-weekly College Recitals may be counted toward the minimum of 15 recitals per semester. Students majoring in music must register for and successfully complete six semesters of MUS 099 (Recital Attendance). Students are also required to attend biweekly seminars according to major applied medium.

Waived Courses

The credit hours for any waived courses MUST BE MADE UP ELSEWHERE in the degree program.

REVERSE SIDE ASTERISK INFORMATION
