	EDFI 408 Ed in a Plur Soc** or	3
	SOC 316	
	ENG 388 or BA 203	3
	Free Electives	6

Professional core courses and TECH 389, 489 credit must be earned from BGSU.

W=waived for associate degree

This degree requires a 36-hour cognate (area of technical and/or applied courses), which typically is transferred from an accredited associate degree. Combined, these technical and/or applied courses must demonstrate proficiency in a recognized, technical area. In the event that there are fewer than 36 hours to complete a cognate, a College of Technology faculty advisor will approve courses to fulfill this requirement.

** These courses may be used to meet BG Perspective requirements, but hours are counted only once.

Courses taken at a college or university on the quarter system will transfer in fewer hours than the BGSU equivalent. Some students must take additional courses in their degree program to earn the required 123 semester credit hours.

A minimum of 40 hours of credit must be at the 300 or 400 level.
