

Did you know the following would not be possible without *The Friends*?

- **Awards** – The friends presents awards annually to an outstanding library staff member, an undergraduate and a graduate student employee, an institution or individual for contributing substantially to the growth and development of the University Libraries at Bowling Green State University. Additionally, The Friends enhances equipment and curricular materials that fall outside those funded by the operating budget through awards, including the purchase of assistive equipment to aid visually impaired patrons.
- **Friends Master of Library Science Scholarship** – The Friends offers this scholarship annually through an application review process to a library employee who is enrolled in or applying for enrollment in a Master of Library Science Degree Program.
- **Professional Development Award** - The Friends offers this award annually through an application review process to a library employee who wishes to undertake a program of professional development that will improve his or her job effectiveness.
- **Special Events** – Each fall semester The Friends sponsors the Authors and Artists Reception to honor BGSU faculty and staff members for their scholarly and artistic achievements. The Friends hosts receptions to recognize donors for their special contributions.

** The Friends is the membership organization that supports, through contributions and volunteers, the programs and activities of the University Libraries.*
