

College of Musical Arts Scholarship Application
Application Deadline: February 2
An incomplete or late application will not be considered.

Submit one application per scholarship. Make sure you meet the criteria and have submitted papers if required to do so. Submit the original application and copies equaling the number of scholarships you are applying for. For example, if you apply for four scholarships, submit the original application and three copies. After you have made copies mark which scholarship you are applying for. So if you submit four applications each application will be marked with ONE scholarship. **DO NOT** change this form in any way. You must be enrolled for both fall and spring of the next academic year to be eligible for these awards.

- This is an anticipated list of scholarships based on funds allowed. If the funds do not come through then the scholarships may not be awarded.
