\* These courses may be used to meet BG Perspective requirements, but hours are counted only once.

- Students must take 40 hours at 300-400 level
- Matriculation courses are shown in **BOLD PRINT**

\* One selected course must have an international perspective as designated in the approved courses.

Summary

Major	66 HRS
Other required courses	42 HRS
BG Perspective Core	24 HRS
Total Minimum Program Hours	122 HRS
Penalty Hours	___ HRS
Articulation Penalty	___ HRS

In Addition, overall grade point average (GPA) must be 2.25 or higher and the technology GPA must be 2.5 or higher. All courses required for matriculation must be completed with a letter grade of "C" or better.

Please note: Due to the cooperative education requirement, in order to complete this program in four years, it is necessary for the student to either enroll in co-op hours or course-work during the summer as well as during the academic year. If a student is not able to do so, this program will take five years to complete.
