KETCHIKAN, ALASKA
Built around salmon canneries and sawmills, Ketchikan was once proclaimed the Salmon Capital of the World. Its unique culture is celebrated through its renowned collection of totem poles, an accolade to Native art. Situated at the foot of Deer Mountain, Ketchikan is backed by steep, forested slopes and fringed by a pristine waterfront, creating an impossibly beautiful backdrop. Not far in the distance is the Tongass National Forest—the nation’s largest, abundant with wildlife and the peaceful aura of the North Country.

WRANGELL, ALASKA
Situated near the mouth of the Stikine River, this small and friendly city still honors its dramatic past. Once a Tlingit Indian stronghold, then a Russian settlement, later a British trading post, and ultimately purchased by the U.S., Wrangell commemorates the changes it has endured. Its museum offers insight into the three gold rushes that transformed the area and a glimpse of its native past can be found at a traditional Tlingit tribal house.

JUNEAU, ALASKA
Founded in 1880 when Joe Juneau and Richard Harris struck gold, the thriving town of Juneau offers an eclectic mix of people and pastimes. This is the capital of Alaska, but politics is only a small part of the experience here. The downtown streets feature upscale shopping with a traditional twist among authentic Alaskan totems and art, while spectacular mountain scenery stuns from every angle. The famous Mendenhall Glacier is just outside town, and even a casual observer is likely to spot bald eagles, humpback whales and perhaps even a black bear.

HUBBARD GLACIER, ALASKA
A journey to Alaska would not be complete without viewing the majestic Hubbard Glacier. As Alaska’s longest tidewater glacier, its unrivaled proportions stretch over six miles creating dramatic vistas of sparkling blue ice. As the towering glacier moves and calves, crashing chunks of ice fall into the bay creating a sound called ‘white thunder’ by the Tlingit people.

SKAGWAY, ALASKA
Known as the gateway to the famed Klondike gold fields, Skagway lies at the northwest end of the Alaska Marine Highway and at the beginning of a fantastic Northern experience. A place of many names and filled with history, it was known to thousands of hopeful gold rushers as the gateway to the gold fields. Skagway retains the flavor of the gold rush era and the character of colorful inhabitants such as Soapy Smith “King of the Frontier Con Men,” especially on Broadway, with its false-front buildings and in the Trail of ’98 Museum, with its outstanding collection of gold fever memorabilia.

SITKA, ALASKA
Historically significant and vibrantly multicultural, Sitka is not only the storyteller of some of the state’s most compelling history, but breathtakingly beautiful as well. First called Shee Atika by the Tlingit Indians, and then New Archangel by the Russians who ousted them, this city claims itself the cultural center of southeast Alaska. Its fascinating museums house some of the state’s oldest native culture collections, while the Sitka National Historical Park boasts totem-lined forest trails and authentic artisan exhibits.

VICTORIA, B.C., CANADA
Rich with British heritage and overflowing with cosmopolitan charm, Victoria is a town where High Tea and world-class flower gardens are part of everyday life. Here in western Canada’s oldest city, Victorian and Edwardian-era mansions stand near elegant shops offering the latest in European fashion. Many viewpoints, including Dallas Road, offer breathtaking views of the waterfront, perfect for drinking in the surreal beauty of the surrounding mountains and ocean.

Shore excursions are not included. In each port of call you may select from a variety of optional shore excursions for an additional charge, some of which are referenced in the descriptions above.

Go Next will offer a unique collection of Oceania Cruises shore excursions; available for purchase approximately 4 months prior to departure.
