Old Business: None.

- First reading took place and was initiated by Jeremy Joseph, Chair of ASC.
- Question: What data do we have to show the actual cost saving for BGSU?
  - We only have the data that University of Toledo provided on their website for their own savings.
- We are initiating this as a possible policy endorsed by ASC and we understand it would not be the final policy.
- Chet Hesson suggested we examine the annual budget for BGSU and estimate the cost savings on those three days to provide more data for the resolution.
- Question: What involvement did the University of Toledo unions have in the creation of this policy on their campus?
  - We are not aware what involvement they had in this decision but the policy was out for their whole campus review before being finalized.
- Ryan Miller suggested talking to Campus Operations and Nick Hennessy (Campus Sustainability) to get data on utility cost and savings options.
- Sheri Leatherman suggested citing other universities who have a similar policy; University of Findlay and Akron University for example.
- Dawn Chong referenced a recent article and award that BGSU received for lowering energy consumption across campus. This might make this resolution a non-starter for the university.
- Several representatives suggested that providing the data in the policy/resolution would help to indicate to upper administration that we are invested in and serious about this policy.
- Connie Molnar suggested that this policy could serve as a morale booster for the staff.
- Lindy Smith noted that the policy needs to address the needs of staff that don’t work a standard Monday – Friday schedule.
• It was determined that the council would like more data to be added to the resolution and brought before the council again in September 2017.

• A new ad-hoc committee was created to explore this and add more data to the resolution. The volunteer members of this committee are:
  o Kerry Gonzalez
  o Kalee Carlton
  o Bret Pogan
  o Sheri Leatherman

Background Information for Resolution 2017B

Winter Break Policy

General Information

On April 17, 2017, the University of Toledo Board of Trustees unanimously voted to implement a Winter Break Policy. This policy closes the University of Toledo between Christmas Day and New Years Day starting with Christmas 2017. Information on the policy at University of Toledo can be found at the following links:

https://www.utoledo.edu/policies/administration/humanresources/pdfs/3364-25-68.pdf

http://www.utoledo.edu/depts/hr/benefits/time-off/winter-break.html

A similar policy was discussed by the Administration of Bowling Green State University. The version discussed would have required employees to utilize paid time-off (i.e. vacation pay) to cover the days of the closure. This plan was rejected by employees at that time.

University of Toledo determined that a closing between the two holidays and not requiring employees to use vacation would save the University roughly $250,000.

The attached draft policy we seek to implement is a very similar policy to that adopted at University of Toledo. With approval of this draft policy by Administrative Staff Council, the policy will be submitted to Human Resources for consideration.

By writing this policy, Administrative Staff Council hopes to provide a framework that can be built upon easily, thus saving time and effort for upper administration at Bowling Green State University.

Alternatives and Consequences

If Administrative Staff Council does not approve the proposed Winter Break Policy, the University may choose to not implement a Winter Break Policy or may write a policy without direct input from Administrative Staff Council.

Specific Recommendation and Justification

It is recommended that Administrative Staff Council approve the attached policy as described above.

Timetable and Action Required

Approval by Administrative Staff Council is requested at its June 1, 2017 meeting.

(A) Policy Statement and Purpose

The normal academic and administrative operations of the university will close down from December twenty-fifth to January first, with only designated essential services running. Between December twenty-fifth and January first, all employees in an active pay status the day before and the work day immediately following the winter break will be provided winter break days which shall be used in accordance with this policy.

Winter break includes three public holidays; Christmas Day, Columbus Day (which will continue to be observed other than its calendar date and will be utilized during winter break), and New Year’s Day, plus three or four winter break days depending on which day the holiday falls in the year. Winter break days do not accumulate or carry-over, and are not eligible for any cash pay-out at time of separation, for any reason, from the university.

Winter break days may only be used during the dates indicated by the university. Employees may not report winter break days on days that they would not be regularly scheduled for work.

Use of winter break days may not cause an employee to exceed forty hours in one week.

(B) Policy

(1) Procedures
The dates of the winter break will be announced annually by the university but will generally be December twenty-fifth through January first.

(2) General Provisions

(a) Bowling Green State University halts academic and administrative operations annually from December twenty-fifth through January first.

(b) Employees who are in active pay status on the workday preceding and on the first work day following the winter break will receive pay for the winter break days and holidays.

(c) Participation in the winter break is expected; however, the university’s leadership team recognizes that there are operations that may need to be continued. The university will identify those essential operations annually.

(i) All employees in the identified areas might not need to report to work during the winter break.

(ii) Employees with collective bargaining agreements that require vacation planning will be notified by their supervisors by March first of each year.

(iii) Employees who are scheduled work during the winter break will be allotted winter break hours, equivalent to the hours worked on the designated winter break days.

(iv) These hours need to be utilized by June thirtieth of the fiscal year or will be forfeited.

(v) If an employee is scheduled to work on a winter break day, but fails to report to work for any reason he/she shall not receive the pay or hours for winter break days outlined in the policy and may be subject to discipline.

MOTION: __________________ moved and __________________ seconded that:

WHEREAS, Administrative Staff Council represents the voice of administrative staff at Bowling Green State University; and

WHEREAS, many employees and students do not remain on-campus between December 25 and January 1; and

WHEREAS, BGSU must maintain all buildings at livable standards during the period between December 25 and January 1; and

WHEREAS, University employees that are provided days off to rest, relax, and rejuvenate between December 25 and January 1, when most departments are operationally slow, may be more productive workers; and

WHEREAS, University of Toledo created a Winter Break Policy to close campus between December 25 and January 1; and

WHEREAS, University of Toledo determined that a cost savings of about $250,000 would be realized by closing for a winter break; and

WHEREAS, University of Toledo Board of Trustees agreed with the Winter Break Policy and voted unanimously in-favor of enacting the policy; and

WHEREAS, University of Toledo will officially observe Winter Break in December 2017 by providing employees with, in addition to existing holiday pay “enough additional paid days off—either three days or four, depending on which day the holiday falls in the year—to cover the entire specified time period” without reducing accrued benefits such as sick hours or vacation hours; and

WHEREAS, ASC recognizes that not all offices will be able to observe a strict Winter Break, but that the majority of employees will benefit from a Winter Break policy and campus morale will be increased;

THEREFORE BE IT RESOLVED, this assembled Administrative Staff Council approves of the proposed Winter Break Policy and authorizes the Tri-Chairs of ASC to forward the proposed policy to the Chief Human Resources Officer for consideration.
