### Current Cohabitation Status

**Are you currently living as a partner with someone?**
- **Yes**
- **No**

### Cohabitation Status-Based Indirect Measures

*If respondent answers ‘Other non-relatives health condition’ they are asked,*

**What is the person’s relationship to you?**
- Domestic partner
- Other (specify)

### Follow-Up Measures (Longitudinal Data)

**Since [DLI], during the times that you were not married, did you ever live with anyone as a domestic partner for a period of 3 months or more?**

READ IF NECESSARY: Please include time that you lived with your (husband/wife) when you were not married.
- **Yes**
- **No**

**You said your marital status was [MARITAL STATUS AT START F MARRIAGE GAP] as of [START DATE OF MARRIAGE GAP], and you were not married, reunited or remarried between [START DATE OF MARRIAGE GAP] and [END DATE OF MARRIAGE GAP]. During that period, did you live with any partner for at least three months?**

- **Yes**
- **No**

**Before we discuss your relationship with [PARTNER /People listed above], tell me please, have you had any other marriages or marriage-like relationships with a partner where you had established one household and lived together since the last interview on [DLI]?**

- **Yes**
- **No**

**Since the date of our last interview on [DLI], have you lived with a partner in a marriage-like relationship where you established one household and lived together?**

- **Yes**
- **No**
Questions & Responses

Since the last interview on [DLI], have you been in a marriage or marriage-like relationship with any of the people on this list?
   Yes
   No

Since the date of our last interview on [DLI], have you gotten married?
   Yes
   No

Since [DLI], did you ever live with this partner?
   Yes
   No

Did you ever live with this partner again?
   Yes
   No

Since [DLI], have you lived with this partner?
   Yes
   No

In this study, we define living together as having a sexual relationship in which partners establish one household and live together. Have you ever lived together in a marriage-like relationship with [dating partner/spouse]?
   Yes
   No

These next questions are about marriages and marriage-like relationships. In a marriage, there may be times when a husband and wife live in different households. In this study we define a marriage-like relationship as a sexual relationship in which partners establish one household and live together. When we talked to you during our last interview in [DLI], you were not married or living in a marriage-like relationship at that time.

- [ ] Stopped living with that partner
- [x] Have lived with that partner continuously

#### When did you stop living with that partner between [MONTH/YEAR STARTED LIVING WITH PARTNER] and [END OF MARRIAGE GAP]?

- **ENTER MONTH**
- **ENTER YEAR**

#### When you next start living with [PARTNER] (again)?

- **ENTER MONTH**
- **ENTER YEAR**

---

### Sex of Respondent and Household Member

**Note:** Sex of Respondent and Household Membership is collected using a screener instrument before the FMLA survey is conducted.

We’re interested in talking to someone in the household in more depth about workplace and family leave. In order to do that, I need to list all the first names of members in the household, their ages, and genders. May I start with your name?

- **First name** [CODE UP TO 7 RESPONSES]
- **Sex** [CODE UP TO 7 RESPONSES]

#### Are you/is (name) male or female?

- [ ] Male
- [x] Female
