CFDR Update: May 10, 2013

CFDR Workshop – Monday, May 20th
Hierarchical Linear Modeling (HLM)
Instructor: Hsueh-Sheng Wu
Monday, May 20, noon to 1:00 pm, CFDR Conference Room

Congratulations to Ray Swisher, Danielle Kuhl and Jorge Chavez!
Drs. Swisher, Kuhl and Chavez received funding from the NIH for their project titled, “Neighborhood Change and Violence in Adolescence and Emerging Adulthood.”

Congratulations to Bart Stykes!
James Bartlett Stykes is the recipient of the 2013 Adamchak Award. This award was established by Donald and Susan Adamchak (former recipients of Ph.D. and M.A. degrees from Sociology at BGSU) to recognize the excellence of scholarship and academic training provided by the demography faculty at BGSU.

CFDR’s Summer Seminar: Introduction to Propensity Score Analysis - June 26th
Instructor: Dr. Matthew VanEseltine
Wednesday, June 26, 1:00 to 3:00 pm. CFDR Conference Room, 7C Williams
If you plan to attend, please RSVP to the CFDR office, as space is limited: cfdr@bgsu.edu or 419-372-7279.
