

CFDR Update: July 3, 2014

---

**Workshop: Making Graphs with Excel – Tuesday, July 15**

Instructor: Dr. Krista Payne

Tuesday, July 15, 11:30 am to 12:30 pm

CFDR Conference Room, 7C Williams Hall

Go beyond tables. Get helpful and practical tips on presenting univariate, bivariate, and other statistics in graphs and figures using Microsoft Excel. Learn how to present your work in possibly new and refreshing ways for academic and lay audiences. Vanquish the verbose and get comfortable with concise data presentation.

**National Council on Family Relations Innovation Grant**

For the second year, the NCFR Board invites applications for the Innovation Grants program, which will provide up to two \$10,000 grants for 2014-15 to activities that foster interdisciplinary collaboration. The program builds upon NCFR's commitment to promoting innovative, interdisciplinary approaches to research, theory, and practice, in support of family well-being. Proposals are due by Sept. 1, 2014. For more information, please visit: <http://www.ncfr.org/awards/ncfr-innovation-grants>

**Postdoc and Predoc Positions Available at Sealy Center on Aging, University of Texas**

These positions are for research focusing on the health of older minorities, with an emphasis on older Hispanics. Trainees collaborate with Center faculty who have over \$42 million in research pertaining to minority health and aging in the areas of comparative effectiveness, medical outcomes, health service utilization, social epidemiology, psychosocial stress and health promotion. Exceptional candidates will qualify for an additional \$5,000 - \$10,000 over the NIH stipend level plus moving expenses. Complete information is at this [link](#).
