Instructor: Hsueh-Sheng Wu

Monday, August 4, 11:30 am to 12:30 pm

CFDR Conference Room, 7C Williams Hall

AERA Research and Dissertation Grants – Applications due September 4

AERA provides dissertation support for advanced doctoral students to undertake doctoral dissertations using data from the large-scale national or international data sets supported by the NCES, NSF, and/or other federal agencies. The selection process is competitive. AERA Dissertation Grants are awarded for one year for an amount of up to \$20,000.

Robert Wood Johnson Foundation Fellowships – Call for Applications

The Robert Wood Johnson Foundation Health & Society Scholars program provides two years of support to postdoctoral scholars at all stages of their careers to build the nation's capacity for research and leadership to address the multiple determinants of population health and contribute to policy change. The call for applications can be accessed at this link: http://www.nsf.gov/funding/pgm_summ.jsp?pims_id=5369.

CFDR Workshop Handouts and Slides Available on Our Website

Workshop materials are posted at this link on the [CFDR website](#). Click on Workshop Archives for handouts from past semesters.
