### **CFDR Faculty Training Award – Applications due April 1<sup>st</sup>**

The purpose of the CFDR Training Award is to help CFDR faculty affiliates obtain additional training in analytic skills, new data collection methods, use of a specific data set, or familiarity with a particular software package. We are now accepting applications for training that occurs before September 30, 2015. The CFDR is arranging for a Propensity Score Matching seminar this fall so requests for this topic will likely not be covered. Application instructions are at this [link](#).
