### Call for Applications: Workshop and Training on Formal Demography

The Berkeley Population Center and the Center on Economics and Demography of Aging are sponsoring a summer workshop and conference on formal demography, to take place August 16-21. The special emphasis topic will be economic demography. It will feature 3 days of training in formal demographic methods for advanced graduate students, postdoctoral scholars, assistant professors and other early career researchers. For more information about the program, the conference and how to apply, visit the program [website](#). Applications that wish to be considered with travel funds are due **June 1, 2015**. They will accept applications through June 30, 2015.
