

CFDR Update: July 2, 2015

Workshop: Survey Design with Qualtrics – Monday, July 13

Instructor: Gwen Zugarek

Monday, July 13, 11:30 am to 12:30 pm

CFDR Conference Room, 7C Williams Hall

Qualtrics is a web-based survey service that is available for use by all BGSU faculty, staff and students. The purpose of this workshop is to familiarize you with how to design and distribute surveys, as well as create reports using Qualtrics. BGSU Qualtrics Survey Hosting Service allows the campus community to easily collect and store data and can be used collaboratively with other Qualtrics users.

National Council on Family Relations Innovation Grant

For the third year, the NCFR Board invites applications for the Innovation Grants program, which will provide up to two \$10,000 grants for 2015-16 to activities that foster interdisciplinary collaboration. The program builds upon NCFR's commitment to promoting innovative, interdisciplinary approaches to research, theory, and practice, in support of family well-being. Proposals are due by Sept. 1, 2015. For more information, please visit: <http://www.ncfr.org/awards/ncfr-innovation-grants>

Pre- and Post-doctoral Positions Available at Sealy Center on Aging, University of Texas

These positions are for research focusing on the health of older minorities, with an emphasis on older Hispanics. Trainees collaborate with Center faculty who have over \$42 million in research pertaining to minority health and aging in the areas of comparative effectiveness, medical outcomes, health service utilization, social epidemiology, psychosocial stress and health promotion. Exceptional candidates will qualify for an additional \$5,000 - \$10,000 over the NIH stipend level plus moving expenses. Complete information is at this [link](#).
