Workshop and Training on Formal Demography - Applications due May 1

The Berkeley Population Center and the Center on Economics and Demography of Aging are sponsoring a summer workshop and conference on formal demography, to take place August 15-19, 2016. The special emphasis topic will be on Fertility and Mortality Patterns Over Time. It will feature 3 days of training in formal demographic methods. The next two days will be a conference with presentations by leading demographers. For more information about the program, the conference and how to apply, visit the [program website](#).

New Publications?
