Secretary Report (Approval of Minutes)

Welcome to Firelands (Mark Charville, Director of Budget and Operations Firelands Campus)
- Firelands Dean, Dr. William Balzer was called to main campus. Mark Charville welcomed CSS.
- Mark welcomed everyone to BGSU Firelands. Mark stated that there are approximately 2,300 students enrolled at Firelands, approximately 60 full-time faculty and 100 part-time faculty. There are approximately 38 classified staff and 20 administrative staff. Firelands originally started offering classes at Sandusky High School. Mark stated that the fees are half of those at main campus.

Treasurer Report (F. Olson)
- The operating expenses for 2013 totaled $6,831.10 (includes some Summer OSCHE that was not reported in June). The projected expenses for 2014 are $7,800. The carry forward for the fiscal year 2013 was $4,674 plus $499 for fiscal year 2014, thus the total operating load and carry forward for fiscal year 2014 is $10,532. The load for the Personnel 2012-2013 was $5,725, and $5,101.96 was spent, and the carry forward into fiscal year 2014 will be 624.00. The total carry forward (operating and personnel) equals $1,122. The report for the Foundation Accounts is always a month behind. There has been an increase on the endowment side. There was enough on the spendable side to cover the scholarships. Faith stated that there was $5000 in special events. She stated that a motorcycle ride held in honor of Mike Sponsler, a classified staff employee who died as a result of a motorcycle accident, raised $180. Faith thought that it would be nice to have some classified staff members at next year’s event to encourage and support the riders and event. T. Carver motioned to approve the projected expenses for 2014; seconded by Y. Flores; motion carried.

- G. Houtz, T. Carver, and L. Fern met. The classification specifications should roll out in August. If titles change, nobody loses money.
  - Some titles may be changed but the class specifications themselves have not been changed.
  - Future - Compensation piece is being added to RFP to review beginning wages. Wages are being compared regionally through Aon Hewitt’s database. The wage analysis will reflect the beginning wages of BGSU employees. There will be a final salary review and recommendations will be made if areas need to be brought up to market.
  - Old class specifications will be archived.
  - If you have any questions that you would like T. Carver to take to the table, please contact her and she will be happy to do that.

  - Any questions, please contact T. Carver or G. Houtz.

Human Resource meeting – Update on Personal Leave
• The ASC executive team met and approved the personal leave policy. The new policy will be effective 1/1/2014. The policy is not tied to sick time but to the years of service.

Personal Leave will be provided to all new Classified and Administrative employees upon initial hire.
Employees hired on or between January 1 to June 30 will be granted 16 hours of Personal Leave upon hire.
Employees hired on or between July 1 to December 31 will be granted 8 hours of Personal Leave upon hire.

For all continuing Classified and Administrative employees as of January 1 each year- after initial year of hire:

<table>
<thead>
<tr>
<th>Hours of Service</th>
<th>Personal Leave</th>
</tr>
</thead>
<tbody>
<tr>
<td>0-6239 hours</td>
<td>16 hours/year</td>
</tr>
<tr>
<td>6240-10399 hours</td>
<td>20 hours/year</td>
</tr>
<tr>
<td>10400-20799 hours</td>
<td>24 hours/year</td>
</tr>
<tr>
<td>20800 and after</td>
<td>28 hours/year</td>
</tr>
</tbody>
</table>

Personal leave would remain – use it or lose it and except for your initial hire would be awarded on the first of January as it is today. This approach would not increase our unfunded liability.

• F. Olson will try to work on putting the training together. The training will be offered to everyone once it is scheduled.

Storage of CSC “Stuff”
• G. Houtz reported that the CSC “stuff” is stored in the basement of the Family & Consumer Sciences Building and can stay there until CSC decides differently or until the space is no longer available.
