In 1,000 words or less, describe why this person deserves recognition for the "Spirit of BG" Award:

Mary Busdeker is the face of the Mathematics and Statistics Department. She greets everyone in a friendly, professional manner. She never seems stressed or upset and is always very eager to help our visitors as well as the faculty and other administrative staff. You know the saying that bad planning on your part doesn't constitute an emergency on my part. Thankfully Mary has not adopted that attitude. On the contrary, she is the first person that will ask how she can help. Personally, I don't know what I'd do without her. For these reasons I am nominating Mary for the Spirit of BG award!
