In 1,000 words or less, describe why this person deserves recognition for the "Spirit of BG" Award:

I could write essays about why Monica deserves this award because she is a superhero. She simply does it all with a smile on her face. From welcoming current Honors students into the office, greeting prospective students and family, setting up meetings for the administrative staff, and answering all 10 million of my daily emails, the Honors College would not be the Honors college without her. I have only been in my position for a bout a year, and I don't know if I would be a s successful without Monica's constatnt support, and I am sure I can say the same for the rest of the staff. She provided tips and tricks to help with my first year and is still just as helpful. Monica is cheerful, hardworking, committed, and very efficient. Her organizational skills are impeccable, and most importantly, she is a terrific soul.
