In 1,000 words or less, describe why this person deserves recognition for the "Spirit of BG" Award:

Cindy has taken on many qualities that represent BGSU, but shines with her customer service and leadership skills. Cindy always goes above and beyond to provide the upmost customer service. We have received packages that have been missed addressed and she goes out of her way to find who the package belongs to and personally delivers the package herself. A prime example of this, is that we received a package in the other day that appeared to be medicine (at least that is what it seemed, we did not know for sure) and she went out of her way to contact this person, locate, and deliver this package (with the way it was addressed we could have just returned it to sender, but she went out of her way as she always does for our customers). She has taken on a new role with her duties in the warehouse (just obtained her forklift certification) and always conducts herself with upmost professionalism. If there are any questions postal or warehouse related, she is the one to go to for answers. Cindy represents one of the reasons why people choose BGSU over other institutions (i.e. our customer service). In short, she takes pride in what she does, and this shows in every aspect of her work, whether it is taking on a new role, welcoming new employees, or taking care of customers.
