They are a great addition to our team.

They each deserve to be awarded the "Spirit of BG" awards, but since Steve is a faculty member, we can only recognize Marcia.

Nominee: Jodi Schroeder  
Office: Dept of Theatre & Film  
Campus Address: 214 Wolfe Center  
Phone: 2-0527 Email: jodirs@bgsu.edu

In 1,000 words or less, describe why this person deserves recognition for the "Spirit of BG" Award:

Jodi is the keeper, organizer, updater, etc., etc., etc. of the Classified Staff Council's web site.

One of the initiatives she facilitated this year was to transition the professional development request form from paper to an electronic format. By working with an ITS team, she accomplished this task. She was the trial-and-error person and was able to iron out a lot of hurdles and stumbling blocks. By so doing, when I presented a similar request to ITS for an EDHD initiative, the same team took on my request and was able to complete the process from beginning to end in less that four weeks. After working through a few issues of our own, a submission to my unit was successful on first try and it was initiated in South Korea. My process could not have occurred so smoothly without Jodi setting the example and working through much of the process that I didn't have to facilitate because she already had set the standard and clarified the process.

I believe that Jodi needs to be recognized for your contribution to CSC and to the campus community.
