In 1,000 words or less, describe why this person deserves recognition for the "Spirit of BG" Award:

Kathy deserves the Spirit of BG award because of her hard work and dedication to further the relationship between the BG and Firelands campuses. For the past three semesters Kathy has worked closely with Firelands registration and the Office of the Dean to schedule Firelands Pathway courses on the BG campus. Due to capital improvements, there is limited space available. Kathy has worked hard to get Pathway courses scheduled. Many times the course needs are unknown and Kathy has found innovative ways to create a schedule. The logistics of running a program on a different campus can be daunting, but Kathy makes the scheduling process seamless.
