In 1,000 words or less, describe why this person deserves recognition for the "Spirit of BG" Award:

Deb Carden is one jewel of an employee at BGSU. She is always the first to volunteer to assist in many ways and on committees relating to Classified Staff Council. She accepts extra assignments with a smile, and goes the extra mile to make it happen with flare and style and full of BG Spirit! She made sure the Firelands Campus visit was welcoming and had unexpected gifts awaiting Council, as well as making sure a delicious lunch was ordered, speakers were lined up and staff invited, tours were arranged and rooms were ready for business. Time and time again at each Council meeting, Deb steps up to the plate and takes on extra responsibilities to the benefit of Classified Staff without hesitation. Deb is new to Council this year, and she is graciously representing CSC at the next Administrative Staff Council meeting at Firelands on Nov. 1st. She is a great role model of an employee and helps Firelands constituents in any way she can. I know that whenever Deb says she will take care of something we need help with, I can count on it being done well, letting her take the reigns. I personally wish we could all be "Deb Cardens" with her enthusiasm, interest, caring and professionalism toward her fellow workers and pride in the university. Thank you very much, Deb!!
