In 1,000 words or less, describe why this person deserves recognition for the "Spirit of BG" Award:

I met Tim for the first time, a little over a week ago, while working at my part-time job as a decorator's assistant. We arrived at the Stroh Center at 6:30 in the evening prepared to decorate for the Center's Dedication Ceremony being held the next day. We were warmly greeted by Tim. He was very friendly and accommodating in locating carts, a ladder and lift that would enable us to accomplish our tasks before the building closed at 9:00. With his generous help, we were able to come pretty darn close. I asked him about his experiences working at BGSU and he had only positive things to say and was proud to be an employee of the University. Working at the Stroh Center is a perfect fit for him as he is a huge fan of the University's sports program. He has two children currently attending BGSU. He was dressed in BGSU colors down to his tennis shoes and it was only Thursday! One of the things that really impressed me was that he wasn't complaining that he had been there since 7:30 in the morning. The crew that came in early the next morning to put the finishing touches on the decorating were also impressed by his helpfulness. Thank you Tim for showing the true "Spirit of BGSU"!
