In 1,000 words or less, describe why this person deserves recognition for the "Spirit of BG" Award:

I have had the pleasure of working with Tammy Ford for over a year now and she consistently proves to me how caring and passionate the staff here at BGSU are. Tammy works nearly every SOAR event in the summer and also works with hundreds of newly arriving International Students to help them not only with insurance related issues, but welcoming them to BGSU and the United States. It's always great to see these students arrive at our office and say, "Oh! Hello Tammy, so great to see you again!" Tammy works very hard to make all students feel like they have someone to help them through confusing or complicated situations and also that they are not alone. As a student, I am grateful to work with someone who truly exemplifies what BGSU's values are and this is why I am nominating her for the "Spirit of BG" award.

Thank you!
