In 1,000 words or less, describe why this person deserves recognition for the "Spirit of BG" Award:

Brooke works in an office where she has to process alot of paperwork: facilities requests, requestions, room scheduling etc.... that have very little room for error. She is just a phone call away to answer any questions or make changes. She always is right on top of it, follows through with any updates and maintains her positive "can do" attitude at all times. Brooke has been at Firelands College for a number of years, and she is a wealth of knowlege for all of the various types of events on campus! Always calm, always professional, she is a true asset to both BGSU and Firelands College. Thank you Brooke, for always being there for us!
