Nominee: Linda Leimgruber

Office: Department of Engineering Technologies

Campus Address: 264 Technology Building

Phone: 419-372-2439

Email: lleimgr@bgsu.edu

“Spirit of BG” Award nominee:

Linda is awesome to work with! She never hesitates to help a co-worker. Linda manages a department with 5 different programs. In the past year she had to also take on a department with 2 programs. She trained the incoming staff member without hesitation and always with a smile. She doesn't say no to any tasks presented to her. Her ambition to help and work with others is impeccable.

Linda works with all the other staff members very well. She will share any information she knows, ask when there is a question, and will not hesitate to drop everything to help a co-worker. She shares her knowledge of her programs, classes, faculty, and anything else related to her job freely, without conflict, so that the work is completed in a timely manner. Even on vacation, Linda checks emails and forwards or responds as necessary.

Linda is a joy to work with and everyone around her likes to visit. She appreciates taking the time to get to know those she works with. She always remembers when someone is away and will do anything to assist. Due to the duties of her Chair, she takes on other duties within the year without hesitation or complaint.

She is a gem that we all enjoy working with.
