In 1,000 words or less, describe why this person deserves recognition for the "Spirit of BG" Award:

I would like to nominate Erin for the "Spirit of BG" award. She deserves this award because she was very helpful, kind, and knowledgeable about her position. She let me ask questions and walked through the process of hiring 2 student employees without making me feel like I didn't know what I was doing. (Which I didn't.) It is hard to believe that Erin has only been in this position such a short time. Her knowledge and customer service made it feel like she is a seasoned veteran at her job. I do not interact with many employees at BGSU Main Campus, and I am not always met/talked to with the same respect that others at Main Campus are given. Therefore, it is very nice that Erin made me feel like she sees me & Firelands as a fellow colleagues.
