In 1,000 words or less, describe why this person deserves recognition for the "Spirit of BG" Award:

Dawn exemplifies the Spirit of BG! I frequently interact with Dawn regarding registration issues for HHS undergraduate students. She is always patient and courteous, and is helpful and solution oriented. Most of all, she has said on many occasions that in the end the most important thing is that we help students. I can't imagine how difficult it has been for the registrar's staff to work remotely and then to move to a new building after being in the heart of campus all these years. Dawn ALWAYS is friendly and takes the time to talk through whatever the issue may be. In fact, she always makes me feel like the problem we are working on is her top priority, even though I know she has stacks of things to process. I am grateful for a great colleague, Dawn H!
