In 1,000 words or less, describe why this person deserves recognition for the "Spirit of BG" Award:

Ann is the friendly face that meets all who enter the Dean's office. She is always very friendly and very sincere. I have seen her go the "extra mile" to help a student who lost his wallet, or help a student who has a question and doesn't know who to ask. She is also willing to help out her fellow colleagues whenever she is asked.

What I really have enjoyed witnessing are students coming in just to say hello to her. That connection really demonstrates her compassion for the university and its students.
